If so, Jones Lang LaSalle may subcontract real estate-related services to your small business such as:

- Alternative energy
- Advertising and marketing
- Architectural and engineering services
 - Environmental services
 - Historic preservation services
 - Tenant improvement and build-out services
- Brokerage
- Conference and related administrative support activities
- Legal support
- Licensed appraisals
- Local area market research
- Master planning
- Property management
- Residential construction

Leading provider of real estate solutions to the public sector

Jones Lang LaSalle serves as a trusted advisor to many Federal Government agencies as well as state and local entities and Fortune 500 companies. Consistent with their qualifications, small businesses have the opportunity to participate as subcontractors in Federal Government contracts awarded to Jones Lang LaSalle.

Our dedicated team of public sector specialists combines private sector expertise with our public sector experience to deliver integrated real estate solutions that are focused on the unique needs of government agencies. Our services include:

- Asset management
- Brokerage
- Development and project management
- Energy and sustainability services
- Enhanced use leasing
- Financial advisory services
- Move management
- Portfolio strategy and management
- Public-private partnerships
- Transaction services
