

# “Thanks to Jones Lang LaSalle,

Hilton Worldwide saved tens of millions of dollars  
per year in real estate occupancy costs.  
Now that's real value worth checking into.”

— Christopher J. Nassetta  
President and CEO  
Hilton Worldwide

When Hilton Worldwide, a leading global hospitality company, decided to relocate their headquarters, they chose Jones Lang LaSalle for our expertise in commercial real estate.

Within six months, we helped secure Hilton Worldwide's new 120,000 square foot headquarters facility, which meets high environmental standards and offers many tangible benefits to employees.

“Jones Lang LaSalle helped us establish a dynamic, productive work environment. Our new headquarters allows us to be more effective and efficient as an organization and provides a high quality of life for our team members,” Nassetta said. “At Hilton, that's considered a sleep-at-night solution.”

Contact Jones Lang LaSalle today. You'll discover we are committed to saving you money and building the kind of trust you can depend on.
